## Conseils d'usage sur un meuble vernis.

Félicitations pour l'achat de votre meuble.

Ce meuble est fabriqué avec du bois massif, lamellé et du placage d'essence chêne et hêtre. Le chêne et le hêtre sont des bois de feuillus résistant et appréciés depuis des générations dans nos intérieurs ( une structure de bois toute en finesse et des nuances de teintes ).

Caractéristiques :

Le bois utilisé pour votre meuble est un produit naturel et unique qui est travaillé directement dans son pays d'origine après une sélection rigoureuse.

Chaque meuble est unique et a ses caractéristiques car aucun morceau de bois n'a la même couleur ni la même structure. Il est même possible que vous ayez des nuances de teintes sur un même meuble.

Des fissures, inégalités, ainsi que de petits ou de gros nœuds sont le résultat d'une croissance sur plusieurs années et de propriétés de l'arbre.

Des différences de couleur entre les meubles et celles du magasin, ne sont pas exclues (dû à l'éclairage, au soleil, etc.)

Un vernis a été appliqué sur votre meuble. Ce vernis forme la meilleure protection possible pour le bois. Le traitement par ce vernis accentue le contraste du bois.

Entretien :

Pour l'entretien régulier de votre meuble, utiliser un chiffon doux. Si nécessaire, utilisez un chiffon humide, mais pensez à essuyer l'excédant d'eau. Si vous souhaitez utiliser un produit d'entretien, demandez conseil auprès de votre revendeur.

Recommandations :

Resserrez les vis et les assemblages après quelques temps d'usage (lit, table, bureau, charnières).

Afin de prévenir d'inutiles pressions sur les points d'attache, nous vous recommandons de placer vos meubles sur une surface plane.

Si vous souhaitez déplacer votre meuble, pensez à le vider et enlever les tablettes verres. Sans cela, vous pourriez abimer le meuble et le sol.

Si vous posez des casseroles, cafetières, tasses, etc. nous vous recommandons d'utiliser des dessous de plats.

Si vous renversez un liquide, utiliser immédiatement un chiffon sec pour essuyer la surface jusqu'à ce qu'elle soit entièrement sèche.

Il peut arriver que l'odeur caractéristique du bois reste quelques temps. Cette odeur s'estompe rapidement après 1 à 2 semaines. Aérer la pièce régulièrement accélérera le processus.

Recommandations spécifiques pour les meubles hauts :

Pour des raisons de sécurité, tous les meubles hauts disposent d'un dispositif d'accrochage au mur, disponible à l'intérieur de votre colis. Si tel n'est pas le cas, veuillez en faire la demande auprès de votre revendeur. Cela empêche toute chute accidentelle du meuble.

La qualité de nos produits et votre entière satisfaction, font l'objet de toute notre attention. En cas de questions ou de remarques, n'hésitez pas à en faire part à votre revendeur.

Nous espérons que ce meuble vous apportera entière satisfaction.
